Precis (1 or 2 sentences; include classification):

After four years in office, Prime Minister Edward

Seaga has yet to pull Jamaica out of its economic

doldrums, and the slump is likely to continue.

This will combine with the Prime Minister's record

low popularity, the return to more aggressive

tactics by Michael Manley's opposition, and a

growing level of political and general violence

to generate a substantially greater threat of

instability over the next 18-24 months.
